

Thank you for your interest in getting involved in Tennessee.

The Green Party of Tennessee's 2023 elected officers are ready to advance the 10 key values in TN. Candidates will come from the community, they will not be career politicians. The Green Party is committed to grassroots democracy.

Since Green Party candidates do not accept corporate or super PAC funding, volunteers are essential! Please contact the TN GP by [clicking here to fill out their contact form](#)

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
