

Thank you for your interest in getting involved in Virginia!

Locally, Green Party candidates are elected and between all the local chapters of the Green Party of Virginia we have the state covered. We will still need your help with petitioning in your area. Please contact Tom Yager the Virginia Ballot Access Coordinator. [Click here to email greenyager@gmail.com](mailto:greenyager@gmail.com).

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate\\_bac](https://www.gp.org/donate_bac)
