

Thank you for your interest in getting involved in West Virginia!

The Mountain Party is the working peoples party. It aims to strengthen the democratic power of people and promote social, racial, economic, and environmental justice through direct action targeted at the root causes of these problems.

We are looking for people to help coordinate voter registration drives and party-building efforts. Please contact our ballot access coordinator. [Click here to email contact@mountainpartywv.net](mailto:contact@mountainpartywv.net)

You can help to fund our nationwide ballot access efforts by making a donation to our Ballot Access Committee fund. [Click here to open the donation portal https://www.gp.org/donate_bac](https://www.gp.org/donate_bac)
