When circulating nomination papers for:

4TH CONGRESSIONAL DISTRICT MUNICIPALITIES:

All or parts of: Bayside, Brown Deer, Fox Point, Glendale, Greenfield, Milwaukee, River Hills, Shorewood, Wauwatosa, West Allis, West Milwaukee, and Whitefish Bay

4th Congressional District

Thank you for your interest in circulating nomination papers for Gwen Moore for U.S. Congress, 4th District. As a circulator, you will be signing a certification that says you personally obtained each signature you are submitting. Read the certification carefully and please follow its requirements.

- Petition circulators must be a qualified elector in Wisconsin, and personally witness each signature; this means papers cannot be left unattended for signature collection.
- A person may sign only one nomination paper for a candidate in their Congressional District in an election period. Be sure to ask each person whether s/he has signed another candidate's nomination paper in the 4th Congressional District, before you accept a signature.
- Please make sure each signer is a 4th Congressional District resident or "a qualified elector." For this race, that means all signers must reside within the 4th Congressional District (municipalities listed above the map).
- You do not need to be registered to vote to sign the petition but rather *eligible* to register and vote. That generally means 18 years or older, a U.S. Citizen, has lived in the district for at least 28 days, and has not lost the right to vote due to a criminal felony conviction for which the person is currently on probation, parole, or extended supervision.
- ALL signatures must be accompanied by a printed name (please don't skip any boxes).
- The signer must indicate his/her residence, including street number. If they live in an apartment, they must please list their apartment number as well. Make sure signers indicated whether their municipality is a city or village. Post office and rural route numbers are not sufficient. Please check to see that the signer indicates the correct date in the far right-hand box.
- You do not need to fill out all signatures on the page. If you can only get a few, that's fine – send in what you have.
- Complete the certification after circulating the paper, not before. The date of certification should be on or after the latest date of a signer on the page. Please do not sign and date the bottom until after you have finished collecting signatures for the petition.
- Please do not number the pages in the bottom right hand corner; the campaign will enter page numbers.

Thank you. Your help is greatly appreciated.
