

The mission of the HealthCare for all Colorado Foundation is research and education toward achievement of a single-payer universal health care system for all Americans. Our goal is the implementation of a a Public National Health Insurance to finance universal public and private health care delivery.

**Are you looking for a creative and easy way to support a cause you believe in?
It's as easy as 1, 2, 3...**

1. Go to www.kingsoopers.com/communityrewards to create an online account. Click on *Enroll Now*. This account will be attached to your King Soopers loyalty card.
2. Add HCAC Foundation to your account, using our group # *FG957*
3. Start shopping using your loyalty card!

For more specifics and information
visit our Support Us page <https://www.hcacfoundation.org/donate>
and click on [Account Directions](#) and [FAQ's](#) .
These details are also on the King Soopers website.

You can look online (www.kingsoopers.com/communityrewards) every quarter to see how much you have donated. HCACF receives a quarterly check based on how often our supporters visit King Soopers and use their loyalty cards, so shop away!

Please note that fuel, tobacco, alcohol, lottery tickets and most pharmacy items are not eligible purchases that support a non-profit like HCACF, so those funds will not appear on your quarterly online statement.

Thank-you for participating in the King Soopers Community Rewards Program.
Your enrollment allows HCACF to receive a donation which helps us to continue educating Coloradans about healthcare reform.

It's an easy way to give!

**For more information about HealthCare for All Colorado Foundation call 303.573.5669 ext. 306
email info@hcafoundation.org or visit www.hcafoundation.org**
