Dear Mr. Ockey,

I write on behalf of Hellgate Hunters & Anglers, a Western Montana-based rod and gun club, to express our support for Trout Unlimited's Flint Creek Riparian Restoration Project. This is an incredibly valuable fishery for our membership and other users. Consequently, we look forward to partnering with Trout Unlimited to engage anglers and local users on this stream restoration project, which will boost water quality and fish and wildlife habitat in the Clark Fork watershed.

Please note our continued support for this project. Thank you for the opportunity to comment.

Sincerely,
