UPCOMING EDUCATIONAL ACTIVITIES

COLDA 2024

CONFERENCE ON LIVER DISEASE IN AFRICA

HYBRID CONFERENCE | CAIRO, EGYPT | 19-21 SEPTEMBER

Registration is now open for COLDA 2024!

Co-organized by the Society on Liver Disease in Africa and Academic Medical Education in close collaboration with regional societies, COLDA 2024 aims at empowering healthcare professionals (HCPs) to diagnose, prevent, treat, and achieve a cure for liver diseases for the benefit of patients in Africa. This event takes place from **19 to 21 September 2024 in Cairo, Egypt.**

This being the 7th COLDA, we continue to cultivate a platform that provides a unique opportunity for clinicians, researchers, policymakers, industry representatives, and other healthcare professionals in the African region.

COLDA 2023

CONFERENCE ON LIVER DISEASE IN AFRICA

HYBRID CONFERENCE | DAR ES SALAAM | 7-9 SEPTEMBER

COLDA is over for another year and what an event it was!

The program was a superb mix of capacity-building sessions, dedicated time to meet the experts, innovative lectures, a patient-centered session with people living with viral hepatitis it's heart, networking, demonstration programs, and interventional radiology. Truly cutting-edge learning.
