

FACT SHEET — Lewis Herms for Governor

Campaign Theme: C.A.L.I. (California As Liberty Intended)

Website: HermsForCali.com

Headquarters: San Marcos, California

Campaign Overview

Lewis Herms is running for Governor of California to restore liberty, transparency, and accountability to government. His platform, **California As Liberty Intended (C.A.L.I.)**, is built on real-world solutions to lift families, protect freedom, and return power to the people.

Core Focus Areas (17)

1. **Human/child trafficking** — Expose the network; support victims and whistleblowers.
2. **Election fraud** — Repair voter rolls, insist on paper ballots, and make fraud a federal crime.
3. **The Swamp** — Audit and eliminate excess spending and fraudulent bureaucracy.
4. **Big Med & Big Food** — Support alternative treatments; reduce pharmaceutical monopolies.
5. **Unity is impossible ... Independents can't win** — Bridge divides and focus on what Californians agree on.
6. **High taxes & cost of living** — Eliminate income and property tax by reducing waste.
7. **Education** — End indoctrination; restore parental rights and emphasize real-world skills.
8. **Seniors** — Honor and protect older Americans; reduce senior-care abuse.
9. **Veterans** — Provide respect, benefits, and opportunity to those who served.
10. **Wildfires & environmental challenges** — Implement proactive solutions for clean air, water, and fire abatement.
11. **Utility costs & energy reliability** — Introduce a revolutionary plan to reduce energy bills by up to 80 percent.

12. **Technology & A.I.** — Make California a leader in innovation while ensuring public safety and oversight.
13. **Crime & law enforcement** — Restore “Protect and Serve,” end woke hiring, and hold civil servants accountable.
14. **Abortion** — Support life-affirming options; expand adoption and economic mobility.
15. **Homelessness** — Address substance abuse and mental health with real programs and job training.
16. **Housing costs** — Solve supply issues by removing excessive developer fees, updating zoning, and reforming CEQA.
17. **Infrastructure & transportation** — Redirect funds away from wasteful projects and build what Californians truly need.
