

## HAMPSTEAD NEIGHBOURHOOD FORUM

22 January 2019

David Fowler  
Planning Solutions Team  
Camden Council

Re: 2018/5120/P, 20 Rosslyn Hill, further comments

The Hampstead Neighbourhood Forum submitted no objection to the proposed changed of use in our earlier comments dated 1 December 2018. We based our decision, in part, on what now appears to be inaccurate information. The Design and Access Statement stated that the sole practitioner of the doctor's practise was retiring but we have been informed by the doctor, herself, that this is not the case.

We must withdraw our support until the applicant clarifies what discussions have taken place with the current tenant and how she will be able to continue her practise in the area. We would like to see a revised Design and Access statement addressing these concerns.

Sincerely,

Janine Griffis  
Chair, Hampstead Neighbourhood Forum
