THE PEOPLE'S VOICE • ONE VOTE

We are an organization with a mission to better New Orleans through community service and political involvement. We here at IDEA believe that this mission can be accomplished by setting new political trends in the community through education, encouragement and action. IDEA consists of a diverse group of individuals that are community-minded and interested in forging a durable relationship with all residents of New Orleans and their political representation. IDEA of New Orleans is involved in great causes that help the people in our communities.
