How to set up your own P2P Fundraising page

**STEP 1**
Get started by visiting [ifopa.org/curefop_fundraise](http://ifopa.org/curefop_fundraise) and fill in your personal information.

**STEP 2**
Click create an account.

**STEP 3**
Enter and confirm a password and set your fundraising goal. Click Next.

**STEP 4**
Confirm everything is accurate. If you want to make any changes, click “edit.” Click Go to Checkout when everything looks right.

**STEP 5**
Start your fundraiser off with a personal gift. If you don’t want to make a donation, click on the arrow.

**STEP 6**
After you make a donation or after you select not to, click Submit at the bottom of the page.

(Continued on page 2)
How to set up your own P2P Fundraising page

STEP 7
Click on the “Complete your fundraising page setup here” button!

STEP 8
This is where you can update your page. Add a profile pic, a cover photo, change your page name or personalize your story. Click “edit” or “change” on anything you’d like to adjust.

STEP 9
When you click on “Change” on My Story, you can share your personal story with FOP at the top of the page. Click Submit when you’re finished.

STEP 10
Click on the Dashboard tab to promote your fundraiser on social media and to track your progress.

STEP 11
Click on the Post Update tab if you want to add a post about your fundraiser on social media

STEP 12
Click on the Donations tab to see who has donated and thank them for their support
