INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Illinois Firefighters Association Foundation, Inc.
Glen Carbon, Il 62034

I have examined the financial statements of **Illinois Firefighters Association Foundation, Inc.** as listed in the table of contents as of and for the year ended December 31, 2010 and 2009. These financial statements are the responsibility of management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note A, **Illinois Firefighters Association Foundation, Inc.** prepares its financial statements on the cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Illinois Firefighters Association Foundation, Inc.** as of December 31, 2010 and 2009, and the results of its operations and changes in the fund balance for the years then ended in conformity with the cash basis of accounting described in Note A to the financial statements.
