

Theme: Foundation for our Success

Global Learner Objectives:

By the end of this conference, you will be able to:

- Acquire best practices demonstrated through ImproveCareNow quality improvement, research, clinical practice, and community engagement skills.
- Describe your impact on patient care and within the ImproveCareNow community.
- Develop connections and relationships with clinicians, patients, parents, and trusted partners to work together in new ways to benefit the IBD community.
- Examine how you might support the advancement of strategic priorities focused on outcomes, equity, sustainability, engagement, and technology.

*** This agenda is subject to change until the final continuing education credit is finalized*
