Long-Term Portfolio Performance

2019 Impacts Theory of Change

“Leverage the power of our brand, networks, and investments to shift trillions of dollars toward climate solutions, environmental justice and land preservation.”

Our desired impacts primarily support progress toward the following UN SDGs:

Ensure access to affordable, reliable, sustainable and modern energy for all

Reduce economic, gender, and racial inequalities

Make cities and human settlements inclusive, safe, resilient and sustainable

Take urgent action to combat climate change and its impacts

Protect, restore and promote sustainable use of terrestrial ecosystems
