Electronic County Registration Renewals of Off-Road Utility Vehicles

Senate File 519 proposes to expand the existing authority for county recorders or a designated license agent to electronically issue all-terrain vehicle registration renewals to additionally include the electronic issuance of registration renewals for off-road utility vehicles.

No fiscal note requested.

Section by Section Analysis

Section 1— Electronic Registration Renewals of Off-Road Utility Vehicles

Amends section 321.7, subsection 5, Code 2023, to add verbiage to expand the existing authority for county recorders or a designated license agent to electronically issue all-terrain vehicle registration renewals to additionally include the electronic issuance of registration renewals for off-road utility vehicles.

Amendment Analysis
