### OCIO—Federal Funding Conflicts

- Provides guidance on how to handle conflicts between state and federal law with regard to funds under the control of the OCIO.

### Section by Section Analysis

#### Section 1 – Federal funds (8B.7)

This section relates to conflicts between federal funding and the office of the chief information officer. It provides that for purposes of rules and procedures—the OCIO will govern according to 8B.

The bill provides that federal definitions, criteria, scoring, and rules shall govern the eligibility and allocation of federal funds. The bill additionally provides that provisions of Code chapter 8B and rules adopted pursuant to the Code chapter shall not apply where such provisions or rules would modify a federal definition or criteria for eligibility regarding the allocation of federal funds.
