Chapter 12 Reform

- The Senate did not accept our entire amendment. The House amendment did 3 things: Moved world language offer and teach requirements from 2 to 3, removed new PE language, and added back in the CPR graduation requirement. The Senate changed the world language offer and teach requirement back to 2 and put the new PE language back in as in the original bill. They kept the CPR graduation requirement.
- Removes requirement that schools submit a Comprehensive School Improvement Plan (CSIP).
- Allows up to 5 days to be online instruction (snow days).
- A district can offer sequential courses in the same classroom taught by the same teacher whether its AP course, regular courses, or community college courses.
- Allow financial literacy to be taught within other courses.
- Strikes AIDS from being listed out in human growth and development.
- Drops world language requirement from 4 to 2. Drops fine arts requirement from 3 to 2.
- Allows students participating in a school sponsored activity that meets the physical requirements count as their PE requirement. Current code says it “may” count as PE.
