Directing Fees on Flying Our Colors Plates go to the Flood Mitigation Fund

- In the 2020 legislative session, the Flying Our Colors license plate was created by the Legislature.
- The initial special fee for the plate (\$35) and the annual \$10 fee would be transferred to the Flood Mitigation Fund. The transfer was limited to any payments made before July 1, 2023.
- House File 590 strikes the date from the Code and has the funds to be permanently transferred to the Flood Mitigation Fund.

Section by Section Analysis

Section 1 (Iowa Code section 321.34 (11D) (c) (2):

The section amends the Iowa Code provision depositing the special fees paid for having a Flying Our Colors license plate to the Flood Mitigation Fund. The funds are \$35 for the plate and an additional \$10 charged annually. Currently, these funds are transferred to the Flood Mitigation Fund until July 1, 2023. The bill would strike the language ending the transfer on July 1, 2023, making the distribution to the Flood Mitigation Fund permanent.
