HHS District Map

- This bill comes from the Department of Health and Human Services to create HHS Districts based on the behavioral health district map, requires collaboration regarding area agency on aging maps, and creates a subunit for volunteerism within DHHS.

Section by Section Analysis

Division I – Health and Human Services Districts

Sections 1-2, 5-7, 9-12, 15-21 (Iowa Code 12.51, 225A.1, 225A.2, 225A.3, 225A.4, 225A.5, 225A.6, 225A.7, 225A.8)

Changes the name of district behavioral health advisory councils to behavioral health district advisory council, as well as changes the order of the district/state plan wording.

Sections 3, 5 (Iowa Code 217.1, 225A.1)

Defines “health and human services district” as a multicounty area designated by DHHS.

Sections 4, 13 (Iowa Code 217.1B, Iowa Code 225A.4)

Requires DHHS to divide the state into designated HHS Districts, that are the same as the behavioral health districts currently in place. Starting in 2032, requires DHHS to review the HHS districts every 10 years. Allows for the map to be modified as long as DHHS considers the city/county boundaries, if population size can be effectively served, areas of high need, and access patterns for receiving services. These district maps cannot be considered under judicial review. Requires DHHS to adopt rules.

Section 8 (Iowa Code 255A.3)

Correction of a code citation

Section 14 (Iowa Code 225A.4)

Rather than requiring DHHS to issue RFPs to be an ASO, it is permissive.

Section 22 – Immediate Effective Date

Division II – Aging and Disability Services

Section 23 - DHHS and AAA - Redesignation of Planning and Services Areas - Review and Report

Defines “area agency on aging”, “department”, “health and human services district”, “planning and service area”, and “redesignation.” Requires DHHS to collaborate with the AAAs on redesignation and not apply for any change prior to January 2027. Requires DHHS submit a report to the legislature the results of the collaboration by December 15, 2026.

Division III – Volunteer Services

Section 24 (Iowa Code 15H.2)

Strikes the ability for the director to employ personnel as necessary to carry out the duties and responsibilities of the commission on volunteer service.

Section 25 (Iowa Code 15H.4)

Allows the commission to delegate administration of nonpolicymaking duties to a subunit for volunteerism.

Section 26 (Iowa Code 217.13)

Creates a subunit for volunteerism within HHS. Requires DHHS to adopt rules.

Section 27 – Immediate Effective Date
