

JOIN IPC WITH THE CONSERVATION CORPS

This program provides hands-on entry level experience for those seeking green careers as a stepping stone to a permanent position in their field of choice.

Participants work fulltime for their selected host site and receive extensive leadership and professional development training.

Applicants choose from full-time with remote and in-person flexibility offered for young adults ages 18-25 years old by organizations working to protect the environment in the Chesapeake Bay watershed beginning August 2024 for one year.

Application portal is currently open and accepting applications:
<https://cbtrust.org/chesapeake-climate-corps/apply/>

For more information visit the Chesapeake Bay Trust's website or contact Natalie Johnson, Natalie@InterfaithChesapeake or 410-609-6852, for more information about the position.
