

Begun in October 2022, Talbot Green Hands (TGH) is the local chapter of Interfaith Partners for the Chesapeake (IPC). We are a collaborative group of local faith communities, taking action to restore and protect our shared waterways.

November 2025

THIS MONTH'S TOP STORIES

Did you know there are at least two regenerative farms, many organic farms, a 72 hour compost operator, a Talbot County facility naturally processing septic and grease waste and a local private composter taking in food scraps and school cafeteria food? Not to mention scores of businesses expanding their use and production of organic foods as well as a coordinated effort to redistribute unsold but still good food items.

Find out how you could increase the recognition of these pioneers and help connect us all to practical, local efforts to protect and restore our Chesapeake natural heritage.

UPCOMING EVENTS

We are very excited to have two special activities for you this month:

Sunday November 9 at 1:30pm. Join gardeners at the Presbyterian Church of Easton (PCE) community garden with your gloves and loppers if you have them. You can participate in chopping up and composting spent garden plants, learn about our bountiful, easy to manage winter gardens, and share a meal when we are done.

Saturday November 15 at 9:00. Help build the composter for the Blackwater Rising Community Garden at 8 Locust Street in Cambridge. Bring gloves, a hammer and a cordless drill with a T25 bit if you can. This group always has great spirit and good eats!

Also with Blackwater Rising, we are beginning the planning for a mid-shore conference of organics recyclers.

And don't forget, we still have two weekly composting slots open for anyone interested in donating less than an hour a week doing simple community composting tasks at our operation at the PCE garden.

The Compost Team - Jonathan, Nico & Jordan

Talbot Green Hands monthly meeting November 20 at 11:00, at the Unitarian Universalist Fellowship at Easton and by zoom (email us for a zoom invitation): talbotearthday@gmail.com
