

JASON FALER FOR CONGRESS

Job Posting — Petition Signature Collector

Temporary / Part-Time | Flexible Schedule | OR-6 Region

\$18.00/hour + \$0.75 per verified valid signature

Jason Faler for Congress is hiring signature collectors to help an independent candidate for Oregon's 6th Congressional District earn ballot access. We need 3,532 hand-signed petitions from registered OR-6 voters by late July 2026. This is meaningful civic work — you're directly helping voters have a real choice on their ballot.

What You'll Do

Approach registered voters in OR-6 communities, explain the petition, witness each signature in person, and certify completed sheets according to Oregon election law. You'll work assigned areas across Polk, Yamhill, Marion, Clackamas, and Washington counties at times that fit your schedule.

Main focus areas: Salem, Keizer, Woodburn, Wilsonville, Tualatin, McMinnville, Newberg, Sherwood, and Tigard

Pay

- \$18.00/hour (guaranteed, regardless of signature count)
- \$0.75 bonus per verified valid signature
- Experienced circulators can realistically earn \$25–\$30+/hour

Schedule

Flexible — set your own hours. Weekdays, weekends, and evenings all work. Signatures must be collected through late July 2026.

Requirements

- Must be able to register with the Oregon Elections Division as a paid circulator (we'll walk you through the process)
