# Member Log in

First, we highly recommend viewing the website in *Landscape.* If you are on your phone, you will need to scroll all the way down to sign in.

Next, when you are a Member you need an account to sign-in. Note that you can have an account and not be a Member. If you become a Member without an account, there will be instructions in a "Thank you" email. If you became a member by mailing the agreement, you will need to create an account.

Situation: No Account, Want to become a Member

On a computer or tablet, you will see this on the right under the rotating images. On a phone, it will be at the bottom after all the alerts.

Click on the green "Become a Member". Follow the instructions.

- If not using a credit/debit card, print the agreement and mail it as instructed.

If paying by credit/debit, you will move toward creating an account. In either case, you will receive an email with those instructions.

Situation: Want to create an account, whether or not a Member.
