

# INNER WEST COMMUNITY UPDATE

**JO HAYLEN MP, YOUR STATE MEMBER FOR SUMMER HILL**

## MAJOR UPGRADE FOR CANTERBURY HOSPITAL UNDERWAY

**The NSW Labor Government has started the biggest upgrade of Canterbury Hospital in 26 years.**

The NSW Government is investing \$350 million in the Canterbury Hospital Redevelopment and the project's lead team designers were appointed last month.

The designers are currently working with the Sydney Local Health District to determine the key clinical service priorities for the community.

**“Thank you to the residents and health workers at Canterbury Hospital who have fought so hard for this long-awaited upgrade” - Jo**

*Work is underway on the first major upgrade at Canterbury Hospital since 1998.*

**As always, I am here to help. Please reach out to my office for help with any State Government related issues at (02) 9572 5900**

*Congratulations to the Wolli Creek Preservation Society*

## Wolli Creek Regional Park set to expand

**I'm proud the NSW Labor Government is going to protect and expand Wolli Creek Regional Park, so we can all enjoy this beautiful and unique part of Sydney.**

Almost five hectares of rare native bushland is being added to the park, right on the doorstep of the Inner West.

The Carr Labor Government first committed to establishing the park in 1998, and we are getting the job done. I look forward to inner westies and their families enjoying this parcel of pristine bushland.

## Lewisham Station upgrade gets green light

**I have proudly fought alongside residents to upgrade Lewisham Station since I was elected in 2015. We're getting it done.**

Everyone has a right to access public transport, including Lewisham and nearby residents with disabilities, parents with prams, older people in our community and people travelling with luggage.

Lewisham Station will be upgraded as part of a \$300 million commitment to make transport more accessible.

## 100 Years of the Hurlstone Park Wanderers

**After fundraising for years, the Hurlstone Park Wanderers have officially opened their new club house!**

This is a wonderful new community asset. They've even named one of the rooms after a former club member, Jim Fraser, who became a goalkeeper for the Socceroos.

*Lewisham Station set for access upgrade & a fix for the flooding*

*Happy 100th to the Wanderers*
