

CIRCULATOR INSTRUCTIONS

OREGON PETITION

ROBERT F. KENNEDY JR.

1. Each petition page **MUST** be printed on 8 ½ x 11” paper, in Landscape format – NO EXCEPTIONS.
2. As a circulator, you may not sign a petition you are circulating. You must sign a petition circulated by a different circulator (you may sign a petition circulated by a spouse, friend, neighbor, sibling – even if that petition consists of just your signature). The rule here is that you may not certify your own signature as part of the “Circulator Certification” that you must execute at the bottom of the petition.
3. Each petition may only be signed by voters of the same county. After the first voter signs a petition page write the name of that voter’s county on the line provided near the top right-hand corner of the petition so that you can easily find the correct county petition for subsequent voters you encounter (and to make sure a voter does not sign a petition reserved for voters from a different county).
4. You **MUST** be at least 18 years old to circulate this petition.
5. You **MUST** witness (or watch) each voter as they sign this petition.
6. You may NOT misrepresent the purpose of this petition.

The sole purpose of this petition to place the name of Robert F. Kennedy Jr. on Oregon’s 2024 general election ballot as a candidate for the office of President of the United States. You cannot collect a signature by telling a voter the petition is to “Save America” or “Help the Poor.” BE HONEST WITH THE VOTERS.

7. Voters **MUST** use only black or blue ballpoint pens to sign this petition. Do not use gel pens as they can easily smear and result in an invalid signature.
8. Only registered voters may sign this petition.

9. Each voter must:
 - A. Sign their name; and,
 - B. Record the date they sign the petition; and,
 - C. Print their name; and,
 - D. Record their address as it appears on their voter registration record.
10. After the last signature is collected for each petition, you **MUST** execute the “Circulator Certification” at the bottom of each petition.
 - A. First, sign and date on the first line; then,
 - B. Second, print your name and address on the second line.

WARNING: DO NOT ENTER A “SHEET NUMBER” AT THE BOTTOM OF THE PETITION – THE CAMPAIGN WILL GENERATE A CORRECT SHEET NUMBER AFTER YOU HAVE RETURNED THE PETITION TO THE CAMPAIGN.

11. Return the **ORIGINAL** of each petition to the campaign **AFTER** you have executed the “Circulator Certification.”

THANK YOU FOR YOUR HELP !!!
