About JSpaceCanada

JSpaceCanada is the home for Canadian Jews who are deeply committed to self-determination for Jews and Palestinians. Our organization formed because voices like ours need to be louder. As Jewish Zionists, we are stakeholders in Israel, and therefore have a role to play in ensuring Israel's future as a democratic state. For this to happen, we must be able to engage critically in conversations about the Israeli-Palestinian conflict.

Position Summary

JSpaceCanada is hiring a Content and Communications Associate on a six-month contract to help lead a digital initiative aimed at reducing polarization and fostering dialogue between Jewish/Israeli and Palestinian/Arab/Muslim communities in Canada.

The primary focus of this role will be collaborating closely with one of our partner organizations to develop and execute a digital campaign that encourages understanding and engagement across communities.

Additional responsibilities include creating content for social media, email marketing, and website updates. The ideal candidate is creative, with strong design and writing skills, and brings a nuanced understanding of the complex issues central to our mission.

Key Responsibilities

- Develop and write content for an upcoming digital project aimed at reducing polarization and increasing understanding between communities.

- Design visually compelling graphics for social media (primarily Instagram).
 - Draft engaging and informative social media copy aligned with JSpaceCanada's voice and values.
 - Write and edit email marketing content.
 - Assist with updates to the website and digital platforms.
 - Collaborate with Executive Director and external partners on messaging and content strategy.
 - Develop review criteria and assess project success for project final report.
 - Support additional content-related and administrative tasks as needed.
-

Ideal Candidate

- Demonstrated understanding of Zionism, Jewish identity, Jewish pluralism, and the Canadian Jewish landscape.
- Familiarity with discourse around Israel-Palestine and commitment to nuanced, constructive dialogue.
- Broad alignment with JSpaceCanada policy positions, including commitment to a two-state solution and security and sovereignty for Jews and Palestinians.
- Strong design skills using Canva and/or Adobe Creative Suite.
- Excellent writing and editing skills for digital platforms.
- Highly organized, detail-oriented, and able to manage multiple tasks.
- Comfortable working remotely.
- Collaborative, open to feedback, and comfortable working in a team environment.
- Experience with NationBuilder is an asset.
- Experience working, volunteering, or participating in Jewish nonprofit, education, or advocacy spaces is an asset.

To Apply

Please send your CV, and a brief cover letter explaining your interest and reasons for applying for this position to info@jspacecanada.ca by August 5. Please include with your submission a podcast, article, book, documentary or organization that has resonated with you on the topic of Israel-Palestine and Jewish life and briefly explain why.
