

With the latest tax season in full swing and several recent changes to the state and federal tax codes, this guide to tax brackets, credits, and deductions helps make sense of it all. While this fact sheet can't tell you how to do your taxes, it can give you a sense of your status as we head toward the filing deadline. Most people don't enjoy doing their taxes, but knowing the basics can make it a little less intimidating. Remember to always ask a tax professional about your specific situation.
