Turnip	2"-3", thin to 5"	all year	30-70
Watercress	4"	Sept – Feb	50

Watermelon	4"/60"	Apr-Jun	70-84
------------	--------	---------	-------

* Best planted as start.

** Late summer, fall planted plants take longer to grow to harvest than early spring planted ones. Plant extra plants.

Also can plant (in Sept):

Anise hyssop

Lovage

Burdock root (seeds)

Mint

Dill (seeds)

Rosemary

Fennel (seeds)

Thyme
