

# Membership Categories

## Community Care Group

\$44

For groups of at least 2 people that have come together for the purpose of undertaking Landcare activities. Groups may have a formal or informal structure, but members/volunteers cannot profit from income raised by the group.

## Individual

\$44

Anyone who wants to be involved in Landcare activities, and be a part of the community Landcare movement.  
\*Note-you don't need to be an individual member to join a Community Care Group. Each group has it's own process for joining.

## Associate

Any business, school, organisation or other entity that is interested in community Landcare issues & activities, but whose main purpose is something else.

*Tiered fee structure based on entities annual turnover*

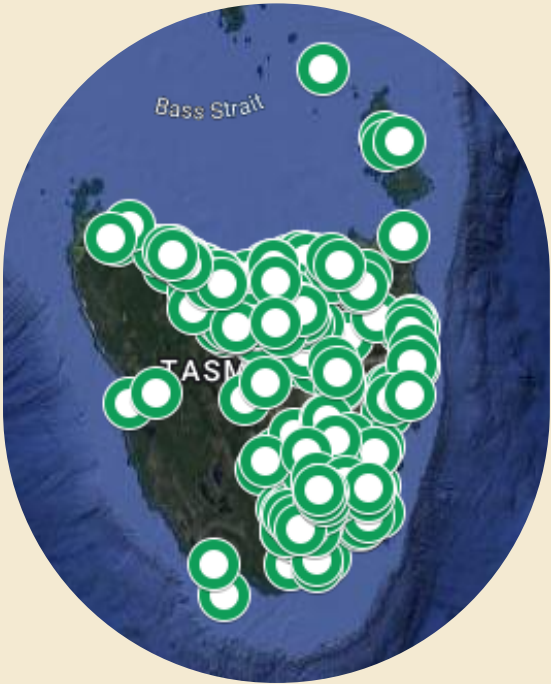

Visit our website for more details on picking the right membership for you.

## The Project Bank

The Project Bank is a collection of Landcare projects proposed by our members that require funding. We use it as a tool for understanding what our members need, promoting our members' ideas and advocating for external funding to support them.

Most Landcare projects are long-term and ongoing, often requiring additional support, with some receiving assistance for multiple years. Our members projects stay in the Project Bank until they are funded.

## Member Services

We directly support our members with:
