

Leave a Gift to Tasmania's Environment

By making a bequest
in your Will to the
**Tasmanian
Landcare Fund**,
you can leave a
legacy of care for
Tasmania's special
natural places.

Since 1994, Landcare Tasmania has been empowering people to make a difference.

Our members are people in local communities who volunteer their time and resources to care for our land and coasts, waterways and wildlife. They are supported by a community of donors, and our broad network of technical experts, partners, and supporters.

Landcare Tasmania is a registered charity and can receive tax deductible donations through our public fund, the Tasmanian Landcare Fund. Donations to the Tasmanian Landcare Fund support all of our programs, including our core member services as well as much needed grants directly to member-driven projects.

How to Leave a Gift

Making bequest is as easy as including some wording in your Will. You may also like to contact us to advise us of your intention to make a bequest. We are happy to discuss how you would like to contribute to caring for Tasmania's environment.
