

Do you have a passion for Penguins?

Penguin Rehab & Release

are holding a

Volunteer Information Evening

Wednesday 19th October

5:30pm—6:30pm

Cradle Coast Authority, 1-3 Spring Street, Burnie

Penguin Rehab & Release is a Landcare Tasmania community group dedicated to the rehabilitation of seabirds, that come into care due to illness, injury or misadventure, with the aim of preparing them for successful release back into the wild.

PR&R need volunteers to fill a range of roles, from on-site support to administrative tasks and fundraising. Most of the work is dirty, exhausting, and un-glamorous, but extremely rewarding. As a volunteer at PR&R you'll meet new people, make friends, and have fun, as well as gaining an insight into our amazing and vulnerable Little Penguins.

If this sounds like something you would like to do, come along to the Information Evening and find out more. Attendees will be invited to attend a Volunteer Training Day at the facility on Saturday 29th October. Due to the nature of our work, volunteers must be over 18 years of age.

Bookings are essential as numbers will be limited to ensure this is a COVID safe event. If you would like to book your place at the Information Evening, please contact Kathy at penguinrandr@gmail.com

Thankyou to our sponsors
