

The background features a stylized Art Deco design. At the bottom, a city skyline is depicted with various skyscrapers and a prominent building in the foreground. The skyline is framed by a large, double-lined arch. Radiating from the sides of this arch are numerous thin lines, creating a sunburst or fan effect. In the four corners of the overall composition, there are smaller, stylized sunburst motifs. The entire graphic is rendered in a light yellow or gold color against a dark background.

A CELEBRATION OF STUDENT SUCCESS

CONGRATULATIONS, LATTTC

The best legacy of Los Angeles Trade-Technical College is its students. For a century, they have been turning hard work into opportunity, skills into careers, and dreams into futures.

LATTC and the Coalition for Responsible Community Development put students first and work together to build pathways to good jobs, sustaining wages, and thriving communities.

Thanks to this partnership, thousands of South Los Angeles residents have advanced through CRCDD's workforce development programs, which provide the tools to shape their own success.

Here's to 100 years of student success, and to the next generation who will inspire us all.

Thank you and congratulations from all of us at CRCDD.

TOGETHER, WE HAVE THE POWER TO KEEP THE FUTURE BRIGHT

Every day we're inspired by the people who are making contributions, big and small, to help our communities thrive.

For more than three decades, Herb Nadel has exemplified the essence of a dedicated building owner. Herb has created not merely structures, but environments where businesses prosper, communities connect, and stories unfold. His leadership has been defined by vision, integrity, and an unwavering commitment to excellence.

In an industry where ownership often changes with the seasons, Herb has remained steadfast, investing not only in properties, but in people, purpose, and progress. His stewardship has yielded more than buildings; it has cultivated opportunity.

As he receives this well-earned recognition, we honor a legacy built as much on values as on foundations. Thank you, Herb, for owning with pride, leading with purpose, and building with enduring vision.
