*A strong voice for
Bradford Moor*

About Thair Mohammed

Thank you taking the time to find out about me.

I was born in Bradford Moor and live in Gladstone Street. I'm a family man with five children.

As a child I remember where I lived as being a safe, clean and friendly environment. A happy place to grow up in.

I am standing for election as I want to make Bradford Moor once again a great place to live, work and play. I have a strong passion to bring change in the area and hope you will support me with your vote.

A COMMUNITY CHAMPION:

I am an active member of our community. I have been working with others who want to see a real change in Bradford Moor.

For several years I have been actively working with residents of Bradford Moor to lead and empower young people to get involved in social and environmental work, promoting cleaner and safer streets making great places to play and enjoy.

As an ex trade union leader, I am experienced in standing up and fighting for people's rights. This is a skill I will use to speak up for people in Bradford Moor.

I have worked alongside several community groups based in Bradford Moor, and was recently recognised for my hard work by being awarded the Queens Award for Voluntary Service.

HOBBIES / INTERESTS

When I am not working I am passionate about staying healthy and fit.

I am a member of a gym and play football.

I always try to encourage young people to be more active for both their physical and mental well-being.

REAL WORLD EXPERIENCE:

I was still at school when I started my first part-time job in a famous burger chain. From there I worked in lots of different customer service and sales jobs.

I used all that experience to become self-employed and open my own food business. I like working for myself, taking responsibility for everything, and getting the job done well gives me a buzz.

I also want to work with others to take responsibility for where we live. I am an active member of Action 4 BD3. Working with my neighbours we have been tidying up, planting fruit trees, flowers, and tidying up the grass verges

Thair Mohammed **WORKING HARD FOR BRADFORD MOOR**

Working alongside Councillor Riaz Ahmed Thair will put a strong case for Bradford Moor to the Council. They will demand more investment in our community. Together they will make sure local voices are heard.

More face-to-face appointments

The Lib Dem team is calling for longer opening hours and for patients to get more face-to-face, appointments with local GP's.

After years of Covid restrictions it's time to make sure that everyone is able to get an appointment in their local practice.

Campaigning for Ward-based Action

The Lib Dems are campaigning for ward-based action plans to include a reduction in fly-tipping, more repairs to street and public spaces, tackling empty buildings and cleaner air outside schools. The plan must include how the community is to be included in improving the green and open spaces.

Publishing an Action Plan, keeping in touch and reporting back

The Lib Dem team has published an Action Plan for Bradford Moor. **They will keep in touch with you through regular newsletters, surgeries, surveys and on-line.** They will report back on their work, ask your views and always put Bradford Moor first.

Lend your support to Mohammed Thair

"Thair will be a great Councillor, people already know he cares about our community and he will help to fight for our community in City Hall".

- **Cllr Riaz Ahmed**

Labour don't deserve your vote in May

Labour Councillors voted against Lib Dem plans to increase funding for debt and financial advice in Bradford just as families are hit with a massive cost of living crisis.

Labour have totally failed with Children's Services in our city. Now the Government has taken it out of their control.

Labour have failed to invest in Bradford Moor and continue to cut services, they cannot even keep the streets clean.
