

Better Catford South

Lewisham town centre

Coming to Catford?

- Lewisham-style towers here
- inadequate social housing commitment
- increasing numbers of unregulated Houses-in-Multiple-Occupancy
- not a place to put roots down

Lib Dems say:

We must learn from the mistakes made in the Lewisham Gateway.

We don't want high-rise towers - there are better ways to provide good quality homes and reduce the housing waiting list.

Lib Dems say Catford deserves better

Catford South - Labour's **1%** ward

Lewisham Council recently divided up nearly £3 million from the Community Infrastructure Levy among the 18 wards that make up the borough. Catford South received 1.06% of this, £30,958.

This is less than any other ward.

Rushey Green, for example, received £253,097.

Lib Dems say:

The huge building projects planned for Catford will reap millions in Community Infrastructure Levy for the Council. The projects will directly affect the residents of Catford South.

We will fight to ensure that this ward gets a fair share.

**Labour Party supporters hold all 54 seats on Lewisham Council.
It's time to end the one-party state.**

Kate, one of the three Lib Dem candidates for Catford South, has lived in Catford South for over 30 years and has been an active member of her local residents' association for over 20 years.

She loves the diversity and cosmopolitan nature of the area and believes this is what attracts people to put down roots and build a community here.

Kate's campaigns include:

- working with community groups to ensure better regulation of Houses in Multiple Occupation for the benefit of everyone and supporting an Article 4 direction for all of Catford South
- working with the Safer Neighbourhood Team for over 10 years to increase police presence in the area – thanks to her work with the Team, the Team now publish their patrol walks
- pressing the Council to use its powers to improve the rate of fly-tipping and dumping prosecutions

Kate reporting dumping

Kate says:

‘Local residents deserve better – someone who will stand up for their concerns. The Council says it will consult with residents but does it listen? No-one denies that Catford needs improving but are the council taking notice of the concerns of the people who live close by? Or will they continue to act as they did with the Low Traffic Neighbourhood scheme and impose their will?’

‘I will be a voice for Catford South, be visible, listen to your views and concerns and work for you.’
