

CHARLEY HASTED

For Dulwich and West Norwood
A PASSIONATE, HARDWORKING LOCAL WHO WILL FIGHT FOR
DULWICH AND WEST NORWOOD.

30 YEARS EXPERIENCE- WORKING FOR YOU

I've lived in Herne Hill since the age of two. barring university my entire life has been in this constituency.

I began campaigning to fighting against services closures and knife crime in Lambeth and Southwark, my start in politics was going to council meetings to fight library closures as a child I haven't stopped fighting on these vital issues since.

I've campaigned on disability, youth and welfare issues within the party creating and serving as **Welfare and Access Officer** for the Young Liberals and **Treasurer** for the Lib Dem Disability Association. I also serve on the executive of the **Patchwork Foundation**

I've been a **council candidate** twice and was a **parliamentary candidate** in 2017 for the Lib Dems so I have the experience needed to fight for us as the candidate for Dulwich and West Norwood now.

From fighting Brexit to saving local services, I'll be beside you every step of the way, just as I have my whole life.

FINDING NEW AUDIENCES

If we are going to build Dulwich and West Norwood into a constituency we can win we have to go after new audiences.

By going after new voters in new ways and continuing to be active in our communities we can shake the stranglehold Labour have on the Lambeth side of Dulwich and West Norwood and work to regain the fantastic base we once held on the Southwark Side.

Let's work together to make 'Winning Here' a fact and not a slogan for Dulwich and West Norwood. It won't be quick and it won't be easy but with all the talent and expertise we have here I know we can do it!

Left: Bringing a group of Young people to Federal Conference with the Patchwork Foundation

Right: Giving an Interview for ITV National News

Speaking at the Stonewall Workplace Equality Conference

The Paint by numbers world record attempt in Herne Hill

ACT LOCAL - THINK NATIONAL.

Local activism is vital but building links in the media locally, regionally and nationally is also key for getting our message out to new voters.

I've spoken in regional, national and international media as well as various conferences and events on Lib Dem policies, Further Education, Brexit, Health and Social Care, Equalities issues and a number of other areas.

select me as your candidate and I'll continue to be that national voice for Dulwich and West Norwood and the Lib Dems!
