

# Lead with Pride

## Tailored Coaching For Inclusive Aged Care

SILVER RAINBOW  
LGBTI AGEING & AGED CARE

### Program Overview

**2026 intake now open**

**Unique coaching program** – to support aged care providers in delivering more specialised care to LGBTI older people.

The coaching program is a leadership development opportunity for senior leaders in aged care. Participants will work closely with a highly experienced advisor to strengthen their knowledge and expertise, enabling them to embed inclusive practice in the provision of care for LGBTI older people.

This program is structured around MyAgedCare Specialisation Verification Framework (SVF). SVF is an initiative of the Australian Government Department of Health, Disability and Ageing. **Sessions will be tailored to the participants and their organisations.**

### Benefits

- Tailored coaching, flexible and customised.
- Guided support to progress SVF requirements.
- Lasting organisational change in line with current aged care sector reforms.
- Policy and leadership development.
- Organisational maturity review.
- Strategic planning support.
- Networking and peer learning.
- Enhanced community engagement.

## About

**Silver Rainbow delivers training to assist aged care providers to better meet the needs of LGBTI older people.** Silver Rainbow has provided training to the aged care workforce for over ten years.

In 2025, Silver Rainbow launched the Lead with Pride coaching program. We are excited to announce a new intake commencing early 2026.

Participation in these sessions will assist aged care organisations to provide more culturally safe and inclusive environments for LGBTI older people.

**Free  
6-session  
program**

## About SVF

\*Specialisation Verification for aged care services is intended to support older people by providing reliable information when choosing aged care providers. The Specialisation Verification Framework is an initiative of the Department of Health, Disability and Ageing.

This series of coaching sessions aims to build capacity within aged care provider organisations so that they can (a) provide more inclusive and culturally safe care to LGBTI older people (b) demonstrate their commitment to providing better care by achieving Specialisation Verification.

**Starting  
early 2026**
