We're opening our doors to the millions of people who feel powerless and frustrated with politics. Britain deserves better than the broken two party system of the past. Register as a Supporter and play your part today.

If you are sick and tired of this outdated, dysfunctional politics, and believe Britain deserves better, now is the time to act.

It's time to change the direction of British politics. Conference has just approved changes for a new Supporter Scheme to welcome in all those who feel left behind by the two-party system and demand better for Britain. Join them today and build a new movement for change.

The Liberal Democrats are opening up.

The way things are today is not the way they have to be. We can demand better for Britain. Be part of a movement for real change.

The way things are today is not the way they have to be.

We can demand better.

Better than Brexit.

Better for our NHS and school funding.

Better than rising violent crime.

Better for the environment.

Politics is broken. The two main parties are being dragged to ideological extremes and the British people are suffering the consequences. It's time for something new.

It's time for a new, liberal movement.
