

MIGUEL FOR LGBTQ+ REP

MY BACKGROUND

My Name's Miguel, I'm a cisgender man using He/Him pronouns who came out as Gay when I started Secondary School in Sunderland.

Since September last year I've been training to become a Journalist at Gateshead College, where I've written and pitched on various articles on issues effecting the LGBTQ+ Community including: Queer Spaces in Niche Communities and the Experiences of LGBTQ+ Young People not in Education, Employment or Training (NEET)

MY PLAN

- **Hold the party to account on Homophobic candidate selections**
- **Keep banning conversion therapy at the top of the political agenda**
- **Lead the conversation on Monkey Pox**
- **Work with Comms to create new resources on LGB+ issues/campaigns for Branches, Regions and activists.**
- **Work with LGBT Lib Dems**
