Virtual Meeting

- 6 p.m. September 21, 2022 – Participation through IUB WebEx system

The informational meetings shall be conducted in compliance with the requirements of 199 Iowa Administrative Code 13.2, which includes providing the name and contact information of the county inspector at the informational meeting, if known.

Navigator shall have available at the informational meetings printed parcel-specific maps for each landowner and person in possession of the parcel for those parcels upon which the pipeline is currently anticipated to be located. Such maps shall be provided to each landowner or person in possession without condition once the IUB declares the meeting adjourned.

Navigator shall be responsible for providing sufficient audiovisual equipment for the expected audience, including technology capable of providing printed parcel-specific readable maps to any landowners for which pre-printed maps were not prepared.

Navigator shall file in the docket the following items by August 8, 2022:

- a. Informational meeting presentation
- b. Names of presenters at each meeting
- c. Individual county maps sufficient to identify the corridor and pipeline location for each affected property owner or tenant in possession
- d. Affidavit of mailing notice
- e. Proof of publication for each meeting at least one day prior to the scheduled meeting date

Sincerely,

Geri Huser
