About Bike Smart

The Bike Smart program provides organizations with a 20' trailer with 50+ kids' bikes (in a full range of sizes), training materials, helmets, tools, support; everything an instructor would need to teach children how to be confident, competent bicycle riders. Bike Smart is based on a game-rich bike skills curriculum developed by Local Motion and the Center for Health and Learning.

Bike Smart is FREE to any Vermont organization that serves children in grades K-8 (aside from a nominal delivery fee). Local Motion will deliver the trailer to your organization, and leave it on-site for one to two weeks.
