How far is your residence from Marsett Road?	Do people within your household...? Check all that apply.	What concerns, if any, do you have about walking, biking, or rolling on Marsett Road?	Would you support a temporary pilot project to enhance conditions for walking, biking, and rolling on Marsett Road?
between 0.5 and 1 mile	walk on Marsett Road, drive on Marsett Road	motorists fail to yield at stop signs, no sidewalk on south side of road	Yes
between 1 and 5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	Too much whining by the residents on Marsett Rd. It has a double yellow line - which should be warning. It carries tradffic and will continue to do so. It has for quite awhile.Trying to slow the speed is a waste of time.	No
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
between 1 and 5 miles	drive on Marsett Road, Occasionally	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, no bike lanes, not enough crosswalks	Yes
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	motorists fail to yield at crosswalks	No
within 0.5 miles	walk on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	not enough crosswalks, insufficient street lighting	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no bike lanes, These 2 concerns are not a constant but do occur(speeding&crosswalk stopping)	Maybe, depending on the design
between 1 and 5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	no bike lanes	No
between 0.5 and 1 mile	walk on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no bike lanes, insufficient street lighting	Yes
between 0.5 and 1 mile	drive on Marsett Road	no bike lanes, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	Maybe, depending on the design
I live on Marsett Road.	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes	Yes
between 1 and 5 miles	drive on Marsett Road	no bike lanes, no sidewalk on south side of road	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	no sidewalk on south side of road, insufficient street lighting	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	noise from traffic is too loud, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	Yes
between 0.5 and 1 mile	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, no bike lanes, accelerating cars up the rise from Falls Rd. with little visibility ahead until cresting while heading west	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	Yes
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
between 0.5 and 1 mile	bike on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), use the bus on Marsett Road, drive on Marsett Road	speeding, noise from traffic is too loud, motorists fail to yield at crosswalks, no bike lanes, not enough crosswalks	Yes
between 1 and 5 miles	drive on Marsett Road, Run on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
between 0.5 and 1 mile	drive on Marsett Road	speeding, no bike lanes, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks	No
between 1 and 5 miles	none of the above	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	Maybe, depending on the design
between 0.5 and 1 mile	drive on Marsett Road	speeding, motorists fail to yield at stop signs	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	Maybe, depending on the design
between 0.5 and 1 mile	none of the above	excessive number of cars	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no sidewalk on south side of road, insufficient street lighting	No
between 0.5 and 1 mile	drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road	Yes
between 0.5 and 1 mile	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	speeding	Yes
I live on Marsett Road.	walk on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, not enough crosswalks, Truck traffic, don't need a sidewalk on southside	Maybe, depending on the design
We used to live on Marsett. Now we are within 0.5 miles.	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, no bike lanes	Yes
within 0.5 miles	drive on Marsett Road	motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
within 0.5 miles	drive on Marsett Road	speeding, motorists fail to yield at crosswalks	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	motorists fail to yield at stop signs	No
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, no bike lanes, insufficient street lighting	Yes
between 1 and 5 miles	drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road, insufficient street lighting	Maybe, depending on the design
I live on Marsett Road.	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, insufficient street lighting, Maplewood, where it intersects with Marsett, is absurdly-wide- about 60 feet! This results in driving taking that turn at excessive speeds. This intersection need s to be	Yes
I live on Marsett Road.	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road, Play in the front yard, talk to neighbors in the front	excessive number of cars, speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, not enough crosswalks,	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	motorists fail to yield at crosswalks	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
I live on Marsett Road.	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, motorists fail to yield at stop signs, no bike lanes	Yes
between 1 and 5 miles	bike on Marsett Road, drive on Marsett Road	speeding, no bike lanes	Yes
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	speeding, no bike lanes, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks	Yes
between 1 and 5 miles	walk on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
between 1 and 5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	I'm concerned that the safety committee will again focus on a small part of the town and neglect the vast majority of residents. There will again be a study that will inconvenience everyone and the results won't honestly be communicated	No
between 1 and 5 miles	drive on Marsett Road	speeding	Maybe, depending on the design
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road, run	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no sidewalk on south side of road	Yes
within 0.5 miles	walk on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no sidewalk on south side of road, not enough crosswalks	Maybe, depending on the design
I live on Marsett Road.	walk on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), use the bus on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, Getting out of my driveway.	Maybe, depending on the design
between 0.5 and 1 mile	bike on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
I live on Marsett Road.	walk on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, insufficient street lighting	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, no bike lanes, no sidewalk on south side of road, insufficient street lighting	Yes
between 1 and 5 miles	bike on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road, not enough crosswalks, insufficient street lighting	Yes
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	No
between 0.5 and 1 mile	walk on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs	No
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, no bike lanes	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, drive on Marsett Road	speeding, no sidewalk on south side of road	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, no bike lanes, no sidewalk on south side of road	Yes
between 1 and 5 miles	drive on Marsett Road	I do not have any concerns about walking, biking and/or rolling on Marsett Road.	Maybe, depending on the design
between 1 and 5 miles	drive on Marsett Road	speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no sidewalk on south side of road	Yes
within 0.5 miles	bike on Marsett Road, drive on Marsett Road	no bike lanes	Maybe, depending on the design
between 0.5 and 1 mile	walk on Marsett Road, drive on Marsett Road	speeding	No
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	motorists fail to yield at crosswalks	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, no bike lanes, no sidewalk on south side of road, not enough crosswalks, insufficient street lighting	Yes
I live on Marsett Road.	walk on Marsett Road, drive on Marsett Road	speeding	Maybe, depending on the design
between 1 and 5 miles	drive on Marsett Road	speeding	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, roll on Marsett Road (e.g., wheelchair, scooter, etc.), drive on Marsett Road	excessive number of cars, speeding, noise from traffic is too loud	Maybe, depending on the design
I live on Marsett Road.	walk on Marsett Road, drive on Marsett Road,	excessive number of cars, speeding, noise from traffic is too loud, motorists fail to yield at stop signs, insufficient street lighting	Maybe, depending on the design
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, drive on Marsett Road	excessive number of cars, speeding, motorists fail to yield at crosswalks, motorists fail to yield at stop signs, not enough crosswalks	Maybe, depending on the design
between 1 and 5 miles	drive on Marsett Road	no bike lanes, no sidewalk on south side of road	No

How far is your residence from Marsett Road?	Do people within your household...? Check all that apply.	What concerns, if any, do you have about walking, biking, or rolling on Marsett Road?	Would you support a temporary pilot project to enhance conditions for walking, biking, and rolling on Marsett Road?
within 0.5 miles	walk on Marsett Road, bike on Marsett Road, use the bus on Marsett Road, drive on Marsett Road	speeding, motorists fail to yield at crosswalks, no sidewalk on south side of road, not enough crosswalks, insufficient street lighting	Yes
