### **Re: Review notice for an application for an internal review of an original decision**

The Department of Environment and Science made an original decision relating to Blue Energy Limited on 16 March 2023.

The original decision made was to approve site specific environmental authority P-EA-100196730 for Petroleum Lease (PL) 1034, PL1038 and PL1045, subject to conditions, under section 172(2)(a) of the *Environmental Protection Act 1994* (the Act).

On 12 May 2023, Isaac Regional Council applied to the Department for internal review of the abovementioned original decision under section 521 of the Act. Isaac Regional Council seeks to revoke the original decision.

This notice of the internal review application (the **review notice**) has been sent to you, as a person who was given notice under this Act of the original decision.

Please find attached copy of the review application and supporting documents.

You may make a submission on the application for an internal review of an original decision by **Thursday, 25 May 2023**.

Submissions can be made to the administering authority by emailing [PALM@des.qld.gov.au](mailto:PALM@des.qld.gov.au) using the subject reference "Internal Review application submission – Blue Energy Limited P-EA-100196730". Properly made submissions will be considered in making a final internal review decision. You will be issued a notice of the review decision when it has been made.

Application for an internal review of an original decision
