#### **Chair Report:**

The chair gave the following Chair's Report at 7:04

"Thank you all for coming tonight. I hope you all had a great Holiday season. Things have been a bit slow since Thanksgiving but I am looking forward to ramping things up this New Year. Since we had a big showing this election cycle, we can use that to leverage or lobby some NCGA members this term. The NCGA term starts on January 8th and crossover is usually in May or June. If we want to use our leverage this cycle, this is when we need to act. I'd be open to opportunities and issues that you guys can come up with to push.

Earlier we charged Mac to lead a group coordinating aid to western North Carolina. The Libertarian Party of California held a bake sale, no word on whether it was a special Californian bake sale, and was able to raise about \$1200. Combined with other donations through Libertarian Mutual Aid the total raised is about \$1500. This will be given to the Operation Shelter group this weekend."
