The Chair gave the following Chari's report:

"Thank you all for coming. We are still in the legislative session and I'm working on trying to get regular content put out related to the legislative session and keep messaging on some of the bills we should support and not support. We haven't any large expenditures, but I have requested a Treasurer's report in the next couple of weeks. I've had some people reach out to me about running for office, one in particular in Lincoln County. Finally, it is convention season so if your local affiliate is having a convention, don't forget to promote it, and stop by if other nearby affiliates are having conventions."
