Chair Report:

Ryan Brown gave the following Chair's Report at 7:07pm
Thank you all for coming, it has been a wild month since we last met. We've had our Carolina Classic, our State Fair, and a general Election. It has been busy, but it has been good and we had a lot of good results. Thank you to all the volunteers that have stepped up in this last month, we really appreciate it.

Previous Minutes:

Minutes of the previous EC meeting were accepted at 7:08pm

Electronic Voting:

There were no electronic votes since the last meeting.

Treasury Report:

- No treasury report was given.

Officer, Director and Committee Reports:

- No other officer, director or committee reports were given.

Old Business:

- At the State fair, we had coverage at the booth for all but 2 hours. We managed to give away a good bit of candidate literature. Contacts that signed up still need to be imported to Nationbuilder.

New Business:

- Election Update - One win which was expected, Jared Clark in the town of Harmony was elected to town council. This brings the total elected Libertarians in the state to 3. Total of votes for LPNC members was over 1 Million, which may be a record. Sean noted that we are regularly getting over 2% in 3-way races and above 20% in 2-way races, which is growing from previous election cycles. There will be an election post-mortem this upcoming Tuesday. Several candidates were within the margin of error and Ryan's race flipped R to D, breaking the Republican supermajority in the NC House.
- On the 13th there will be a post-election volunteer meeting

Adjournment at 7:19pm EDT.
