

Legislative Priority Issues 2026

ELECTIONS AND THE VOTING PROCESS

- Eliminate barriers to voter registration and participation; increase access to the ballot.
- Support efforts to ensure that elections are transparent and well run.
- Simplify the process for individuals seeking restoration of voting rights.

OPEN AND TRANSPARENT GOVERNMENT

- Support printed and electronic access to public records, open meetings, and public notice.
- Oppose fees for viewing public records.
- Opposes the expansion of exemptions to public records.
- Support first amendment rights of freedom of expression.

PUBLIC HEALTH POLICIES

- Remove threat of prosecution for medical professionals providing quality of care for pregnant patients.
- Ensure high quality physical and emotional care for pregnant patients including those impacted by rape, incest, child sexual abuse, or severe fetal abnormalities.
- Support adequate funding for safety net services and programs providing food security.

GUN SAFETY POLICIES

- Support common sense gun safety laws.

EDUCATION POLICIES

- Support quality public education with adequate public funding, pre-K — 12, for all students.
- Oppose expansion of public funding of private school vouchers.
- Support increased accountability for voucher usage with private schools.

ENVIRONMENTAL POLICIES

- Support state policies to protect and improve air and water quality and address toxic risks.
- Support development of infrastructure for sustainable energy.
- Promote policies that protect the state's biodiversity.

IMMIGRANT RIGHTS POLICIES

- Support free and accessible public education for all students regardless of family status.
- Support policies that protect due process for individuals.
