Dear liberal friends,

It is our pleasure to write you on behalf of JOVD to nominate Willemijn Krans for the LYMEC delegation to the ALDE Congress.

Willemijn, former International Officer, is known and respected as an able trainer, a hard-working board member, and above all as a committed and steadfast liberal. She is attentive, detail-oriented, and open to feedback from her team. Over the past few years, Ms. Krans has proven herself to be a true advocate for the liberal family.

In her time as Policy Officer, she professionalised the internal opinion-forming of JOVD by installing think tanks and organising a multitude of political assembly's where members can adapt the JOVD manifesto. Furthermore, after a few years of being less prominent on the international podium, she ensured that JOVD is on top of international affairs again. In addition to these accomplishments, to make the preparation process for international congresses more transparent and extensive, she re-installed the International Committee after 5 years of it being forgotten. As a result, we are now back within LYMEC stronger than ever!

It is the combination of all these factors that leads us to say with certainty that we can wholeheartedly endorse Willemijn as the official JOVD candidate for our great European liberal family.

Yours sincerely,

**Michiel Kees Paul Suijker**

President

**Kaja Anastazja Ippel**

International Officer
