A MESSAGE FROM YOUR MP

Dear Neighbour,

Thanks to all of you who participated in one way or another on Remembrance Day including to all the schools and teachers who made it meaningful event. As a nation, we would quickly forget the sacrifices Canadians made if we did not educate our youth.

Many of us wear a Poppy which is a public way of remembering and saying 'thank you' to our military personnel and those in our protective services who put their lives in danger to help to keep us safe.

Tragically, on September 22, **Constable Rick O'Brien** of the Ridge Meadows RCMP was killed, and two other officers were wounded

while on duty. His memorial service at Langley Event Center was deeply moving. 4,800 RCMP in Red Surge and other protective service members came from all over Canada to honor this remarkable officer.

There are hundreds of RCMP, fire fighters, municipal police, paramedics, and military personnel who call Maple Ridge and Pitt Meadows home. Our sincere thanks go out to each and every one of you and your families for your dedication.

Kind Regards,

Marc Dalton

Members Statement

September 25, 2023—I gave this statement to Parliament in memory of RCMP Cst. O'Brien who gave his life in the line of duty

“On Friday, Ridge Meadows RCMP Constable Rick O'Brien was shot and killed. Two other detachment officers were also wounded as they were executing a drug search warrant in Coquitlam. Previously, Rick worked many years with at-risk youth. This is devastating for his wife and six children. The Ridge Meadows RCMP Superintendent, Wendy Meehat, stated “Rick’s contribution to his work and his fellow members was immeasurable. Rick loved visiting schools, helping students, and supporting our detachment with food drives and sports events. He was truly exceptional. His death is senseless and heartbreaking. “Sunday was Police and Peace Officers National Memorial Day. Over the past year, 12 officers have lost their lives in the line of duty, the most ever. May we as a nation be ever more appreciative of the men and women in our police forces. May God bless them and may God sustain the O'Brien family. “
