

# STOP LINE 3 TAKE ACTION TODAY

Enbridge's Line 3 pipeline was just approved in Minnesota, and is already approved in Canada.

This \$8.2B pipeline expansion would carry 760,000 barrels of crude oil per day through Manitoba.

It threatens our drinking water, farm lands, and climate, and violates Indigenous rights.

**JOIN THE RESISTANCE.**  
**Take action against Line 3.**

### ENBRIDGE LINE 3 PIPELINE

SOURCE: MAPBOX STREETS THE CANADIAN PRESS

Communities have opposed this project for years, and governments and regulators have chosen profits over people. *Now we must support peaceful resistance on the frontlines to stop this destructive pipeline.*
