To our Valued Businesses of McLean County:

We are excited to present our annual Lincoln Reagan Dinner on Thursday, September 25, at the DoubleTree Hotel. Our program features great speakers and offers voters the chance to meet the candidates vying to serve our county. We are excited to introduce a new chapter of the McLean County Young Republicans serving 18-40-year-old concerned voters in our county.

We are asking area businesses to show their support by donating an item or gift certificate for our silent auction table. You can also become a sponsor of the dinner. Information on sponsorships is at [www.McLeanCountyRepublicans.org/2025\\_LRD\\_Sponsorships](http://www.McLeanCountyRepublicans.org/2025_LRD_Sponsorships).

Your donation helps us accomplish the following:

- Develop an effective outreach program for college students, teaching them about sound principles that foster thriving, growing communities. Especially important in view of recent events.
- Find and support candidates who recognize the value of controlling spending, creating a growing economy, providing for the safety of our communities, and have a desire to serve our whole community, not special interests.
- Educate and inform voters about issues that directly impact our community through public meetings, community events, and media.

Help keep McLean County fiscally sound and business-friendly!

Your donation can be processed through the bearer of this letter or through our event coordinator, Connie Beard, at [events@McLeanCountyRepublicans.org](mailto:events@McLeanCountyRepublicans.org)

Thank you for helping to keep McLean County strong.

Sincerely,

Dennis Grundler

Chairman, McLean County Republicans
